

Class 4 Home Learning

Week beginning Monday 18th May 2020

Reading	Writing (including Punctuation & Grammar)	Spelling																		
<p>Please continue to read for 20 minutes per day.</p> <p>Why not try this Roman's themed reading comprehension from twinkl? https://www.twinkl.co.uk/resource/t2-e-2288-roman-coin-surprise-newspaper-report-differentiated-reading-comprehension-activity</p> <p>These are also included within class 4's resources folder for this week on the website.</p> <p>Oxford Owl are offering FREE access to their massive tablet-friendly eBook library: https://www.oxfordowl.co.uk/for-home/find-a-book/library-page</p> <p>Parents need to register for a free account and you can choose from a wide range of stories organised by book band.</p>	<p>Complete the SPaG Mat (Summer Term 1, Mat 6) https://www.twinkl.co.uk/resource/t2-e-3437-year-4-summer-term-1-spag-activity-mats</p> <p>https://www.twinkl.co.uk/resource/t2-e-3467-year-5-summer-term-1-spag-activity-mats</p> <p>There are different levels if you go directly to Twinkl (parents will need to enter the free code CVDTWINKLHELPS) or get the mat from our website.</p> <p>The reading comprehension that I have set for this week is in the style of a newspaper report. As you know, a newspaper report is a type of recount.</p> <p>This week for your writing task, I would like you to write a recount of your own.</p> <p>This could be a 'day in the life of...' diary entry (Roman soldier, emperor, gladiator, or a day in your life during Covid-19). Or you might choose to write a newspaper style recount. Maybe you found something in your garden. A Roman pot or part of a Roman road??</p> <p>I would love to read your finished work if you can send it to me.</p> <p>Try and include as many different features in your writing as possible: Speech, fronted adverbials, modal verbs, expanded noun phrases, parenthesis, possessive apostrophes etc.</p>	<p>Year 4</p> <p>The spelling rule for this week is words ending in ar/er.</p> <p>Your spellings for this week are:</p> <table style="width: 100%; border: none;"> <tr> <td>calendar</td> <td>particular</td> <td>remember</td> </tr> <tr> <td>grammar</td> <td>peculiar</td> <td>integer</td> </tr> <tr> <td>regular</td> <td>consider</td> <td>quarter</td> </tr> </table> <p>Year 5</p> <p>There is no spelling rule for your spellings this week. These are words that year 5s need to be able to spell.</p> <p>Your spellings for this week are:</p> <table style="width: 100%; border: none;"> <tr> <td>amateur</td> <td>muscle</td> <td>twelfth</td> </tr> <tr> <td>ancient</td> <td>queue</td> <td>harass</td> </tr> <tr> <td>bargain</td> <td>recognise</td> <td>develop</td> </tr> </table> <p>Practise them and ask a grown up to test you on Friday.</p> <p>There are worksheets and power points to support these spellings here:</p> <p>https://www.twinkl.co.uk/resource/t2-e-41277-year-4-term-3a-week-6-spelling-pack</p> <p>https://www.twinkl.co.uk/resource/t2-e-41343-year-5-term-3a-week-6-spelling-pack</p>	calendar	particular	remember	grammar	peculiar	integer	regular	consider	quarter	amateur	muscle	twelfth	ancient	queue	harass	bargain	recognise	develop
calendar	particular	remember																		
grammar	peculiar	integer																		
regular	consider	quarter																		
amateur	muscle	twelfth																		
ancient	queue	harass																		
bargain	recognise	develop																		

Maths Fluency	Maths		Topic
<p>Keeping maths facts on the tip of your tongue is a really useful skill to have.</p> <p>This week practice finding equivalent fractions. $\frac{1}{2} = \frac{2}{4} = \frac{3}{6}$</p> <p>Check out the following link for a useful revision video. https://www.bbc.co.uk/bitesize/topics/zsxhfg8/articles/zwjwgdms</p> <p>How can you present your work? What about a fraction wall?</p> <p>Remember to have a go on Times Table Rock Stars too. https://play.ttrockstars.com/login/42991</p> <p>DON'T FORGET ABOUT THE INTER SCHOOL COMPETITION!!</p>	<p>Year 4</p> <p>Your maths learning for this week is from the Hamilton trust website. Year 4, week 6.</p> <p>All resources can be found on our website (in the Class 4 resources folder), but let me know if you are having any issues accessing the work, and I will email a copy to you.</p> <p>Education city</p> <p>I have set some activities for you to complete on Education City that help to support your learning this week (7 times tables and coordinates).</p>	<p>Year 5</p> <p>Your maths learning for this week is from the Hamilton trust website. Year 5, week 4.</p> <p>All resources can be found on our website (in the Class 4 resources folder), but let me know if you are having any issues accessing the work, and I will email a copy to you.</p> <p>Education city</p> <p>I have set some activities for you to complete on Education City that help to support your learning this week (column addition and subtraction, negative numbers).</p>	<p><u>Wellbeing</u></p> <p>I have started to make a 'things to look forward to' jar. These are some of the things that I have put in my jar:</p> <ul style="list-style-type: none"> Having a coffee with my mum. Seeing all the children at school. Getting my nails done. Going swimming with Miss Edwards. Seeing Mrs Greasley's new house. <p>What would you put in your jar?</p> <p>Why not follow the instruction (in the resources folder for this week) and make your own jar? Send me pictures of your decorated jars.</p> <p><u>Science</u></p> <p>I have set a few different activities on education city all about space. This isn't one of the topics we would cover this half term, but it is interesting. What other research could you do about it?</p>
