### Class One

Hello and welcome back to the last half term of this academic year!  
Our last topic is the children's choice and is titled:

### **'We are Superheroes!'**

As we are sure you can agree, all the children are superheroes in their own ways, they all have special skills and qualities they have shown throughout the year. We will be exploring these as we talk about and design our own superhero alter egos. We will be discussing what a superhero needs or doesn't need to be, and discussing what makes us unique. Our English will involve imaginative story writing and in maths we will be covering doubling, halving and division, as well as revising some of the tricky topics over the past year.

This is a crucial part of the year for both Reception and Year one with Reception about to complete their EYFS profiles and Y1 taking the phonics screening check. There will also be lots of phonics and sentence writing practise for Class One to prepare them for moving on...

The year has flown and all the children have changed and progressed so much, it will be sad to say goodbye to some of them. Remember due to the nature of our school all the classes are mixed year groups. Therefore a large number of the Reception cohort will remain in Class One next year; however they will be working from the Year One curriculum. All Year One pupils automatically move into Class Two. If you have any concerns regarding classes for next year please come and speak to me. Otherwise you will find out which class your child will be in when the reports are distributed in July.

Finally, we will be having a Superhero dress up day this half term so we will let you know when we have confirmed a date. There are also a few other essential dates for the diary this half term listed below:

Y1 Phonics testing: Wednesday 13<sup>th</sup> June

Thank you
