

Find the spoon

What you need: A teaspoon

People: 2 or more

Play: Inside

How to play:

- One person hides the spoon.
- The other person has to find it.
- Time each other and see who can find the spoon in the quickest time.
- Make this easier by saying 'hot' if the person looking for the spoon is close to it and 'cold' if they are moving away from it.

Play with more people by seeing who can find the spoon first.
