

Dear Parents/Carers,

### **Wider opening of Peak Edge schools**

I'm writing to update you on our plans regarding the wider opening of schools in Peak Edge Trust to FS2, Year 1 and Year 6 children.

As you will be aware, the Director of Public Health at Sheffield City Council, advised us on Friday 29th May that Sheffield schools should not open to a wider cohort until 15th June.

Peak Edge Trustees met earlier this morning and I can confirm that, whilst this was a surprise announcement, Trustees believe that all schools within the Trust should adhere to this Sheffield guidance and we support Headteachers and Local Governing Boards in doing so.

We will keep you updated through your own school with details as soon as we have them regarding your child and the wider opening strategy but it is our current intention to open more widely from 15th June.

I hope you will understand the challenges we face and I thank you for your continued support as we navigate this next phase.

Kind regards,
