

Nursery Home Learning

Week beginning Monday 18th May 2020

All the links can be followed or find the resources on our website (Curriculum/Home Learning Tab)

Literacy	Maths	Physical
<p>Reading: Can you read one of your favourite books to a grown up and then answer questions about the book? Some examples could be: Who was your favourite character? Where did the story take place? (you could even draw a picture) Did your story have any rhyming words in it? What might have happened after the ending of your story?</p> <p>Also, don't forget Oxford Owl have a wide range of FREE eBooks to read on tablets: https://www.oxfordowl.co.uk/for-home/find-a-book/library-page</p>	<p>Shape sorting:</p>  <p>Can you have a go at cutting out the shapes to make a butterfly? What shapes are on the butterfly?</p> <p>Or</p> <p>Can you have a go at cutting and sticking the matching shapes together?</p> 	<p>Target practise:</p> <ol style="list-style-type: none"> Find a big space Find something to be a target e.g. a bucket/basket, cardboard box, hoop, bin Choose a small object to throw e.g. a ball, small teddy bear, scrunched up paper Practise your aiming and throwing Extension: To make it harder you could move your target further away! 
Discussion time	Wellbeing/Outdoor activity	Phonics
<p>Would you rather questions: If you were a superhero what super power would you pick and why? Flying? Running really fast? Being super strong?</p>  <p>Which animal would you rather be and why?</p> 	<p>Cosmic Yoga: Find somewhere comfy to start the activity! Yoga is so much fun and a great way to relax. You can search Cosmic Kids Yoga on YouTube and choose a story to follow – I chose to do a Star wars themed Yoga session!</p> 	<p>Body Percussion: Can you take it in turns with a grown up to think of different ways you can make sounds using parts of your body? Extension: You could make it into a game e.g. copy the leader, make a pattern – stomp feet, clap hands etc.</p>

Other Topic

- Science: Floating and Sinking
- Find some different sized objects in your home
 - Get a big bowl of water
 - Choose an object to start and have a guess at whether you think it will sink to the bottom or float on the top of the water
 - Repeat with remaining objects
 - Have Fun!
