

Nursery Home Learning

Week beginning Monday 22nd June 2020

All the links can be followed or find the resources on our website (Curriculum/Home Learning Tab)

Literacy	Maths	Physical
<p>Story character acting: This week's challenge is.... Can you act out some of the characters from your favourite books? All you need is some paper and a bag. Write down some characters and fold them up and put them in a bag, pick one out and have a go at being that character! For example the big bad wolf... think about how he might move or the 3 little pigs... how might they build their houses or Supertato... how might he fly around? Remember to have some fun with this!</p> 	<p>Shape Pizza: To do this activity all you need is some colours! Can you name and colour in the different 2D shapes?</p> <p>Pizza Shape Colouring</p>  <p>Extension: Can you have a go at making your own shape pizza? An adult could draw a circle to be your pizza and draw some little 2D shapes for you to cut out and stick on! Can you think of any other 2D shapes to put on top?</p> <p>Can you have a go at this shape matching game TopMarks.....</p> <p>https://www.topmarks.co.uk/early-years/shape-monsters</p>	<p>Heart beat activity: This week we are focusing on your heart! Can you have a go at this experiment to measure your heart rate doing different activities? (All the resources can be found on the website)</p> <div data-bbox="1792 335 2128 391"> <p>My Heart Science Experiment</p>  </div> <div data-bbox="1792 399 1982 646"> <p>Method</p> <ol style="list-style-type: none"> 1. Sit in the book corner quietly, then put your hand on your chest and listen carefully to your heart. 2. Start the timer and count how many heartbeats you feel in 20 seconds. 3. Walk slowly around a room, or in an outside area. 4. Stand still and start the timer and count how many heartbeats you feel in 20 seconds. 5. Stand still and start the timer and jog for 1 minute in an outside area. 6. Stand still and start the timer and count how many heartbeats you feel in 20 seconds. </div> <div data-bbox="2004 406 2128 454"> <p>You will need: Timer</p> </div>
