

Nursery Home Learning

Week beginning Monday 4th May 2020

All the links can be followed or find the resources on our website (Curriculum/Home Learning Tab)

Literacy	Maths	Physical
<p>Alliteration: Can you find these things in the picture? annoying adverts, amazing apples, aggressive ants, Alex the alligator, adventurous astronauts, adding adder, alphabet axe, angry arrows, animal alarm</p> 	<p>Active counting: Can you go on a walk and count how many of these you can spot?</p> <ul style="list-style-type: none"> • Dandelions • Cars • Daisies • Lampposts 	<p>Can you listen to your favourite song and dance all the way through?</p> <p>Can you think of your own dance moves?</p> <p>You can also look on Youtube for Just dance routines – They are really fun!</p> 
<p>Discussion time</p> <p>-What can you see in this picture? -Where do you think they are? -Where are they going? -Where did they come from? -Why are they there? -How did they get there? -Will they get home? -Would you like to go there?</p> 	<p>Wellbeing/Outdoor activity</p> <p>Sky watching: Put down a blanket to lay on the ground looking up to the sky. Can you see any clouds? What shapes can you see? Can you see any birds flying? Can you see the moon hiding? Can you draw a picture of all the things you can see?</p> 	<p>Phonics</p> <p>Voice sounds: Can you take it in turns to think of an animal and make the right noise it makes? Concentrate on how your mouth is moving (you could use a mirror and see how your lips move to each noise) Extension: Can you think about whether each sound is quiet/loud or long/ short?</p> <p>Other Topic</p> <p>Baking: Why not try this really easy raisin shortbread recipe? You could add some more fruit to your recipe to make it extra tasty! (roughly makes 10)</p> <ul style="list-style-type: none"> • Put flour (75g), butter (50g) and sugar (25g) into a mixing bowl • Use your hands to mix it all together • Add a hand full of raisins and mix some more • Use a rolling pin to flatten out your dough • Cut into pieces • Put in the oven 180 degrees for 15/20 minutes
