

Nursery Home Learning

Week beginning Monday 6th July 2020

All the links can be followed or find the resources on our website (Curriculum/Home Learning Tab)

Literacy	Physical	Maths
<p>Shopping list: This week we would like you to have a think about something you would like to cook! It could be bread, cookies, pizza – anything you like! You could look at some recipe books if you're not sure! Once you have picked something you will need to get a pencil and paper to write a list of all the ingredients you need! For example: flour, salt, cheese etc. Extension: Can you talk about the sounds of the letters at the beginning of the word e.g. ssss for salt.</p> <div style="display: flex; align-items: center;"> <div style="margin-right: 20px;"> <p>Shopping List</p> <ol style="list-style-type: none"> 1. eggs  2. milk  3. cheese  </div> <div>  </div> </div>	<p>Busy bean game: This is a really fun and exciting game! You run around and an adult will shout one of these 5 beans, you then have to stop and remember what action to do for each type of bean!</p> <p>Chilli bean - shiver/shake as if you are very cold Runner beans - run quickly on the spot Jumping beans - bounce up and down or on the move Baked beans - melt to the floor as if you are melting Broad beans - make a wide shape</p> <p>You could even try and make up your own bean with an action!</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;"> <p>Jumping bean</p>  </div> <div style="text-align: center;"> <p>Baked bean</p>  </div> <div style="text-align: center;"> <p>Runner bean</p>  </div> </div>	<p>Ordering objects: This week we would like you to have a go at ordering different objects! First you will need to find 2 or 3 different sized objects (an adult can help you do this) for example: pencil and a mug. Can you order them from smallest to biggest? You can then repeat this as many times as you like with different objects! Extension: Can you order 2 objects by weight? Which object is lighter and which is heavier?</p> <div style="text-align: center;">  </div>
<p>Other topics</p>	<p>Wellbeing/Outdoor activity</p>	
<p>Making your own puppet: You could make a character from a story you know, a monster, animal or your own special puppet! It can be as easy as drawing two eyes on an old sock with a marker pen but if you are feeling more creative you could use some other materials! You could make one out of a wooden spoon or stick! Here are some pictures to help you!</p> <div style="display: flex; justify-content: space-around;">    </div>	<p>Watch live animals: Lots of aquariums and zoos around the world have opened up their live webcams for you to see - here are just a couple of examples!</p> <p>Edinburgh zoo: https://www.edinburghzoo.org.uk/webcams/panda-cam/</p> <p>Monterey Bay aquarium: https://www.montereybayaquarium.org/animals/live-cams</p> <p>You can enjoy watching lots of different animals – seeing what they are up to right now! It is a great way to relax and concentrate and think about all the different animals in the world!</p>	
<p>Phonics</p>		
<p>Letter 'n': The letter of the week is 'n' can you find things in your home that begin with 'n'? You can pretend your finger is an aeroplane by writing 'n' in the air! Can you make a big 'n' out of sticks on a walk?</p> <p>Extension: Can you complete the 'n' hunt sheet by finding and colouring all the 'n' noses?</p>		
<p>Discussion time</p>		
<p>Story from space: Why not listen to a story being read by an astronaut this week? Follow the link below – there are lots of different stories to listen to! https://storytimefromspace.com/if-i-were-an-astronaut-2/</p> <p>Discussion time: Would you like to be an astronaut one day? If not is there something else you would like to be when you are older? Have a think about what you really enjoy! Do you like to build things helping people, exploring?</p>
