Dear Parents,

Performance of Peter Pan – Thursday 15th February

At the start of term, the whole school enjoyed a performance of The Nutcracker, here at school. The children were captivated by the small team of actors who performed the story and enabled all the children to experience a theatre show. The PTA funded this performance. Due to this success and enjoyment, we have booked another show, Peter Pan for Thursday 15th February.

We feel that this is a cost effective way of enabling all children to see a theatre performance with the added ease of the theatre company coming to us. In order to cover the cost of this performance, we are asking for each child to bring a donation of **£1.00**. Please send all donations to the school office by Thursday 15th February.

Many thanks

Mrs C Harrison
