Dear Parent or Carer,

You may be aware that Mrs. Lenton's father has tragically passed away. We are supporting a much-loved colleague through this difficult time for her and her loved ones.

The school has taken advice from Public Health in Sheffield City Council and are following all national guidance. I want to reassure you that we have done all that is required as a school and Public Health has confirmed that there is no further action that needs to be taken.

We will continue to take advice from Public Health and the Local Authority throughout this situation. I do, however, fully appreciate the concerns that you will have at this difficult time.

We would like to recommend that you use the advice and guidance on the NHS or Government website as the best form of information.

The key step you can take to look after your family is to ensure that you are regularly washing your hands with soap and hot water. More information can be found at:

Thank you for your continued support at this time.

Yours Sincerely

Mr Gaughan
