

Summer Fun!

School reopens on Thursday 3rd September

Here are some ideas to keep you entertained during the summer holidays. Feel free to share what you've been doing via our Twitter account: [@Wharnccliffe_Sch](https://twitter.com/Wharnccliffe_Sch). Have fun and stay safe – we will miss you!

Do you like walking? 'Casual Ramblers' is a website dedicated to sharing fun and interesting walks around the local area. It includes downloadable maps, pictures and information to bring your walks to life and help you learn about where we live. With categories such as Historical Walks, Urban Walks, Fun Walks, Countryside Walks, Woodland Walks and Waterways Walks; there's something for everyone – it's well worth a look! <http://casualramblers.co.uk/syorks>

Have you heard about the 'Sheffield Summer Challenge' organised by the Family Learning Service? This is "a chance for families to do interesting, fun, low-cost, accessible activities together," throughout the summer holidays. For more information, contact them on email: familylearning@lifelonglearningandskills.org or via social media: FACESSheffield.

Reminder: the Sheffield Children's University have shared some brilliant home learning challenges. You can earn credits towards your next award and all previous challenges can be accessed via our website:

<http://www.wharnciffeside.org.uk/home-learning.html>

Did you see the Y6 'Virtual Leavers' Assembly' on our YouTube channel? We will miss them...

<https://www.youtube.com/watch?v=LUzLqQKu5Ho>

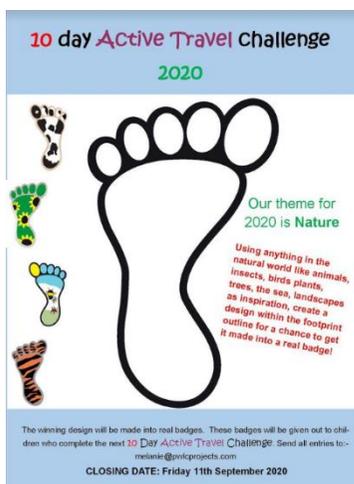

'Happy Hooligans' is a Canadian website full of art & craft ideas to keep the children entertained during the summer. There are over 100 creative ideas that the kids will love: most are straightforward and relatively inexpensive. There's even a printable checklist in case you want to try them all!

Our fantastic School Council had their last meeting of the year on Thursday 16th July; where they discussed their achievements during 2019/20 and some exciting plans for 20/21. Each class will be holding an election in September to find their new reps. If you would like to put yourself forward for this important role, why not write a short speech to present to your class? Why would **you** make a good school councillor?

Don't forget the Design a Badge competition for the next '10 Day Active Travel Challenge'... You can download the entry form (left) from our website. If your design is chosen; it will be made into a real badge and given out to thousands of children across the city. Send entries direct to melanie@pwlprojects.com

Do you enjoy baking? <https://www.bakingmad.com/recipes> is a website full of simple yet delicious recipes such as Rocky Road, Millionaire's Shortbread, Chocolate Cupcakes and many, many more!

The Summer Reading Challenge this year is a celebration of funny books, happiness and laughter. This year's Challenge is a bit different as libraries are currently closed so you will need to take part online. To join in the fun you will need to register online and read six books of your choice. You can still borrow books from the library by using our online E-Library. You can find lots to read and listen to, just go to <https://sheffield.rbdigitalglobal.com/home>. You will need to have a library card to be able to use the E-Library but you can still join at <https://www.sheffield.gov.uk/home/libraries-archives/join-the-library>. Books that you have at home can also count towards your challenge.

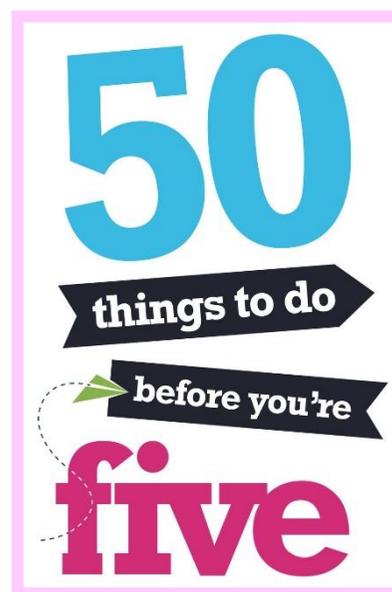

There will be lots of fun events and activities for you to participate in. Just go to the Reading Agency website:

<https://readingagency.org.uk>

But don't forget, libraries will be re-opening as soon as it is safe to do so and will be running the 'real' Summer Reading Challenge where you will be able to get your collectors pack and stickers every time you read a book and your medal and certificate when you have read six books. We look forward to seeing you all then!

TT Rockstars is still available during the summer holidays. Keep practising those tables! (KS2)

If you follow us on Twitter, you will already have heard of '**50 Things to Do Before You're 5**' (@Things50). This is a new app (available from the App Store / Google Play) featuring a variety of fun and interesting activities to keep the children entertained. It is specific to where we live so there are ideas for things to do in Sheffield. It's well worth a look (even if your kids are already 5 or over!)

<http://sheffieldhealthyholidays.org>

Bored? Confused? Nothing to do? Sheffield Healthy Holidays has something for you! Join our online club with loads of FREE activities from circus skills to Bollywood dancing, craft, science, sport and loads, loads more!

Other ideas:

- Create your own 'Stop Motion' movie using your toys (there are many FREE apps available for doing this).
- Make your own bird house or bug hotel.
- Set yourself physical challenges (e.g. how many skips in a minute?) and try to beat your 'personal bests'
- Hold a 'Virtual Quiz' with your friends.
- Make your own board game or adapt an existing one (e.g. Wharnccliffe Side Monopoly?)
- Make a treasure map or try 'geocaching'.
- Grow some vegetables in your garden.
- Learn a new skill: juggling, origami, hula-hooping etc. (there are plenty of step-by-step guides on YouTube!)
- Take up meditation or yoga!
- Become an expert in photography!
- Make a scrap book of everything you've been doing...
- Above all - HAVE FUN!

Nurturing confidence, nurturing potential, nurturing success.
