## Weekly Newsletter: 1<sup>st</sup> October 2018

### Parent Governors

Remember: we are currently on the lookout for two new parent governors! If you would like to apply, please complete the application form by Monday 15<sup>th</sup> October. Please do not hesitate to speak to us if you have any questions about the role...

### MAST

Raising a family is the most important job anyone can do. It has amazing rewards but can also be very challenging. If you are struggling in any way and feel like you could do with some help, we can refer you to MAST (Multi-Agency Support Teams). If you would like to discuss this, you are welcome to come and talk to me in the strictest confidence.

### Fair funding for Sheffield schools

As you may have read in the local press, Sheffield schools are facing a funding crisis. Cuts to budgets and the new National Funding Formula (NFF) mean that small primary schools like ours are beginning to struggle financially. Did you know that schools in Manchester receive an extra £743 per pupil? At current numbers, this would mean an extra £109,221 per year for our school! If you think this is unfair, please sign the petition at
