Term Time Absence Guidance

Nurturing confidence, nurturing potential, nurturing success.

Raising the attendance of pupils in all schools is a national issue. The more time children spend in school, the more effective teaching and learning is. Our school target is **97%**. Attendance below 90% is classed as 'persistent absenteeism' and monitored by the local authority.

Any requests for leave during term time will be considered on an individual basis and the pupil's previous attendance record will be considered. Where the absence is granted, the headteacher will determine the length of time that the pupil can be away from school.

The school is not likely to grant leaves of absence for the purposes of family holidays as the DfE have said "there is no reason to take holidays in term time."

Where term time leave request is denied, parents/carers will be notified in writing with the reasons why. Requests for leave will not be granted in the following circumstances:

- *In the first two weeks of a new school year*
- *Immediately before and during statutory assessment periods. Statutory assessment dates will be given to parents as early as possible in the new school year.*
- *In most cases, when a pupil's attendance record shows any unauthorised absence. The headteacher may use discretion for a minimal number of unauthorised late codes.*
- *Where a pupil's authorised absence record is already above 10% for any reason. For requests received in the first half term of the new school year, attendance data from the previous school year will be used.*
- *Where the reason for exceptional leave request is clearly not exceptional and could normally be expected to happen for most children and families e.g. a milestone birthday celebration*

If term-time leave is not granted, taking a pupil out of school will be recorded as an unauthorised absence and may result in sanctions, such as a penalty notice. The school cannot grant leaves of absence retrospectively; therefore, any absences that were not approved by the school in advance will be marked as unauthorised.

Applying for leave:

- The attached form should be completed and returned to the school office.
- **Requests should be made 20 days in advance to enable time for the school to consider. You may be required to book an appointment with the headteacher to discuss your application.**
- The form will be returned to you once the application has been considered.
- You may be fined by the local authority for any absence not authorised by the headteacher.
