

Sports Premium and PE Funding

2024-2025

Department
for Education

PE Funding Evaluation Form

At Wharncliffe Side Primary, we welcome the government's commitment to PE and sport premium funding.

This has helped us to continue to make sustainable improvements to our provision of PE and sport.

We have used this funding to encourage healthy, active lifestyles for all pupils.

We have also looked to enhance the quality of PE, sport, and physical activity in our school.

We seek to ensure all pupils have access to high-quality opportunities.

Review of last year's spend and key achievements (2023/2024)

Activity/Action	Impact	Comments
Using sports premium to subsidise transport and staffing costs enabled us to enter a wide variety of competitive events.	Although we are a small school, with a small cohort of children to select a team from, we achieved some amazing results last year. All children get an opportunity to represent the school.	Successes at events like this help develop our ethos of being a fit, active and healthy school.
41 after school clubs gave 350 children the chance to take part in a sporting activity.	Our children helped to choose some of these clubs. Pupil voice is important to encourage participation.	We will continue to engage with children and their views on how we can keep our school fit and active.
We targeted girls' participation in after school and competitive activities this year.	Participation by girls continues to improve	Continue to champion girls' sport.

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
<p>Provide playground equipment and training for sports leaders to deliver active lunchtime and breaktime sessions.</p> <p>Provide before and after school clubs that give children the opportunity to take part in a variety of activities. Provide a lunchtime club for children unable to access out of hours clubs</p>	<p>Children in both key stages benefit from sports leaders working on the play ground</p> <p>All year groups have opportunity to take part in clubs.</p> <p>This enables children who are unable to participate in an after school club to still have access to a club coach.</p>	<p>Key indicator 1 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</p>	<p>More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities.</p> <p>Children are involved through the pupil Sports Council to choose activities that they would like to participate in.</p> <p>Afterschool clubs are subsidised to make more accessible. Clubs for targeted groups are free of charge. Participation is much higher in lunchtime clubs. Look to pursue this further next year.</p>	<p>Free equipment from Sainsbury's for playground activities</p> <p>Providing 34 subsidised after school clubs that are delivered by qualified coaches: Use of some higher level specialist coaches has meant that this cost has increased from last year £4818</p> <p>These were attended 355 times.</p> <p>149 times by boys 204 times by girls</p>

Provide mini-kicks coaching for youngest children.	This gives our Nursery and Reception children chance to work with a specialist coach. This also provides CPD for Nursery staff			
--	--	--	--	--

SUFC Healthy Eating Programme linked to Science curriculum	Teaching staff will take part in lessons in Rowan class for Y3/4	Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement	These sessions have been delivered alongside the PE and science curriculum to promote an active and healthy lifestyle.	Coach from SUFC to deliver 6 weeks of sessions – free this year
Worry Warriors Yoga classes for small groups of children to focus on controlling anxieties	Children will benefit from small group sessions. Linked to whole school – ‘Zones of Regulation’ training.		The benefits of exercise, lessons in self-awareness and self-esteem and having strategies to cope with anxiety have helped our children cope with exam pressures. This has particularly helped our children with SEND.	£1250 – Specialist yoga practitioner and Worry Warriors Wellness coach
Y6 Yoga preparation before SATS	Whole year group to benefit from sessions that will reduce student anxiety around SATs. Staff to be part of sessions too.			£300
Y6 children to attend the Show Racism the Red Card event	Children accessed this cross-curricular topic through the medium of sport.		This event is always very popular with the children and is something they have referred back to in other lessons.	Cost of travel to stadium. £300 for both events
Children to take part in World Book Day event	Event to promote reading and increase academic attainment using sport as a medium.			Free (included in Premier League All Stars Package)
Rainbow Laces	Promote tolerance and understanding of LGBTQ+		6 weeks in class and event at SWFC match	

<p>Provide team teaching experience for staff as they work alongside specialist coaches from SWFC as part of the Premier League All Stars and LINKS school sport partnership.</p> <p>CPD for teaching staff for new sports</p> <p>Provide quality planning and assessment resources for teachers</p> <p>PE lead to attend network meetings and training</p> <p>Special PE training</p>	<p>Teaching and support staff benefit from working with coaches.</p> <p>Children have access to high quality PE teaching.</p> <p>Having an extra member of staff gives teachers an opportunity to assess and monitor pupils in lessons.</p> <p>Teachers have access to high quality planning and assessment materials that show consistency and progression in skills through school.</p> <p>PE lead is able to share good practice.</p> <p>Teachers work alongside specialist SEND coach from SWFC</p>	<p>Key Indicator 3: Increased confidence, knowledge, and skills of all staff in teaching PE and sport.</p>	<p>Primary teachers more confident to deliver effective PE supporting pupils to undertake extra activities inside and outside of school.</p> <p>Getset4PE resource includes online training opportunities that our staff have taken advantage of.</p> <p>Special PE interventions for SEND children are improved.</p>	<p>£3564 to have a coach from SWFC to deliver ½ a day each week alongside teachers to deliver high quality PE lessons.</p> <p>£400 to cover supply costs while teacher attends training</p> <p>Getset4PE resource purchased £1234 for a 3 year licence.</p> <p>Part of SWFC package</p>
--	---	---	---	---

Golf coach to provide a 'day of golf' for the whole school.	Pupils have had access to sports that we identified were easier to forge links with pathways to development this year.	Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.	There are links to other sporting institutions that are well formed. These enable our children to have a pathway to future opportunities and the chance to develop further.	Golf coach to deliver sessions : £150
Chance to Shine Cricket to provide cricket sessions for the whole school.	e.g. Loxley golf club and Bradfield / Oughtibridge Cricket clubs			Cricket Coach £220
Cricket SEND engagement day				Free
				Free
Taekwondo coach to provide an 'experience day' for whole school	Pupils have had access to sports that we identified were easier to forge links with pathways to development this year.			£300
Bikeability – children to learn how to ride safely on the road	Cycling has also linked in to the Y6 residential - that included mountain biking.			Free
Learn to Ride				

<p>Children participated in the following events:</p> <p>Tag rugby Athletics Basketball Dodgeball KS1 ball skills Gymnastics Aquafest Dancing Orienteering Colour dash Cricket Table Cricket Football (boys) Football (Girls) Football (Mixed) Bowling Pantathlon Flag Football Table cricket Y2 Multi-sport Y3 Multi-sport</p>	<p>Children attended a range of events that were in school time and also outside of normal school hours.</p> <p>Some were level 2 & 3 competition, whereas others were festivals that had no progression to another level of competition.</p> <p>Some competitions were also held on an intra-school basis to pick teams for these inter-school events.</p>	<p>Key indicator 5: Increased participation in competitive sport.</p>	<p>All children in school to have the opportunity to represent the school at some sport or physical activity within the year</p>	<p>£2977 to pay transport costs</p> <p>£1320 to be part of LINKS school sport partnership for competition organisation.</p> <p>Part of SWFC package is to provide sporting competitions too.</p>

Key achievements 2024-25

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Wharncliffe Side were the winners in the Sheffield School Games Partnership. The school was commended for 'helping to inspire and engaging children to take part and enjoy physical activity'.	Children enjoy sport and pupil voice indicates that they have a very positive view of PE. Children all will get the chance to represent the school at some point.	We do not always have a large enough cohort of children to win at sporting events. However, we do have pockets of excellence that do really well. We punch above our weight! Although we recognize the importance of competitive sport, we are proud that our children show all the values of the school games: Respect, Teamwork, Determination and Passion.
'High quality PESSPA is embedded within the culture of the school'	All ourY6 children have had access to the Worry Warriors yoga training this year.	At Wharncliffe Side we recognize the links between physical and mental well-being.
Our IR team committed to participating in sport and PE activities.	All our children attached to the IR unit have had the chance to represent the school at competitive events or festivals.	We have been nominated for a Sheffield Schools Get Active Award for our work with SEND children and our inclusivity.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres? (18 children)	89% (16 children)	Some children in our class have SEND that mean that they will find this harder to achieve. Most children have had 2 sessions of swimming – in Y3 and 4 and then followed that up with private lessons
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	72% (13 children)	Some children in our class have SEND that mean that they will find this harder to achieve.

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	100 %	
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	No	<p>We provide our children in Y3 with an 18 week block of swimming lessons</p> <p>Any children who still do not meet the NC standards are given the chance of a further 18 week block when they are in Y4 – these children go with the previous year's Y3 cohort so it does not cost extra.</p>
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes	<p>Our staff have attended the CPD for swimming and do get in the water with swimming staff to support less able children.</p> <p>PE lead has also attended and observed swimming lessons.</p>

Signed off by:

Head Teacher:	 Matt Gaughan (Headteacher)
Subject Leader or the individual responsible for the Primary PE and sport premium:	 Nigel Hartley (PE lead)
Governor:	 Sue Brookes (Chair of Governors)
